Customer is required to pay a security deposit of \$200.00 for new gas service. This deposit is refundable after one year of service with monthly payments made before the penalty date. If customer moves from this address, the final bill will be deducted from the deposit.

We do not send out disconnect notices. It is stated on the back of each monthly gas bill that service will be disconnected if unpaid 10 days after past due date. Service will be discontinued without further notice. The total bill amount and a reconnect fee of \$40.00 must be paid to restore service.

Thank you,
